FISCAL IMPACT STATEMENT

LS 6730

BILL NUMBER: SB 230

NOTE PREPARED: Dec 16, 2002

BILL AMENDED:

SUBJECT: Joint summer school programs.

FIRST AUTHOR: Sen. Long

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: X GENERAL
DEDICATED
FEDERAL

IMPACT: State & Local

Summary of Legislation: This bill allows a school corporation to enter into an agreement with other school corporations and accredited nonpublic schools to provide joint summer school programs for high school students. It allows the joint programs to be conducted by state educational institutions and students to receive high school and college credit for the programs.

Effective Date: July 1, 2003.

Explanation of State Expenditures: The establishment of the agreement may increase the number of students attending summer school. The General Fund appropriation for FY 2002-03 for summer school is \$21.6 M. The summer school program is a reimbursement program of up to 105% of instructional cost. Instructional costs include classroom teacher and instructional salaries. If the reimbursement exceed the appropriation then reimbursement rate is reduced. The reimbursement rate has been about 85%. The bill would have no fiscal impact unless the appropriation is increase.

Explanation of State Revenues:

Explanation of Local Expenditures: Schools might be able to offer summer school programs in a cooperative arrangement that they would not be able to offer with their own students.

Explanation of Local Revenues: The state summer school grant would provide additional revenue to the school. The increase would depend on the instructional cost of the program.

State Agencies Affected: Department of Education.

Local Agencies Affected: Local Schools.

Information Sources: Department of Education.
